

St. Joe's Pastoral & Mission Council

March Meeting Minutes

5/19/22

- **Review and Approval of Minutes – APPROVED**

- **Updates:**

- Synod Listening Sessions and Report
 - Mark reported that the Synod report has been sent to the Archdiocese, and will be shared with the parish via the bulletin this upcoming weekend
- Anti-Racism training and next steps
 - All-parish anti-racism training with Scott Winn was moderately well-attended, and elicited positive feedback. Mark reported on upcoming plans to build off that workshop, including offering Ally Skills workshops this fall.
- The Merger with St. Pats
 - Steve reported that the Archbishop has granted an extension to St. Pat's (until Sept 1) to allow for a smooth transition. St. Pat's property and assets will be transferred to St. Joe's, and we believe a majority of parishioners also plan to join (though many Deaf/Deaf-Blind will attend Sacred Heart)
 - Will communicate with the broader parish in mid-June
- Discussion of Kino Asylum Request
 - Vince and Mark reported on a request to sponsor an asylum-seeking family from Kino Border Initiative. Discussion on bandwidth and success possibilities.

- **Evaluation of the Council Year**

- Vince led Council through the attached worksheet
- No major issues to be "fixed." A renewed focus on communicating the purpose of the Council with the broader parish.

- **Old Business – Update on filing council vacancies**

- Cassie reported that the process was moving along well

- **New Business:**

- Discussion of Kino Asylum Request
 - Vince and Mark reported on a request to sponsor an asylum-seeking family from Kino Border Initiative. Discussion on bandwidth and success possibilities.
- June Meeting – June 16th - Celebration Dinner at Parish

- **Summary, Next Steps and Action Items**
